S K I P D A Y

On the 12th day of May, 31 Seniors began their journey to the city of Omaha. At 4:00 a.m., we left from Klemme, which was the beginning of the traditional Senior Skip Day.

Upon arrival in Omaha, after either sleeping or several games of '500', we ate breakfast at Howard Johnsons. We traveled then to Boys' Town and were taken on a very interesting tour there.

After a fascinating walk through and shopping at the Westroads Shopping Center, we visited the Storz Brewery on their last day of brewing beer. While there, we were offered a beverage and potato chips.

Since our trip to the zoo was rained out, we instead went shopping or bowling at the Crossroads Shopping Center. Back again at Westroads, we attended a movie of our choice, and then dined at Bishop's.

After a quiet(?) ride home, Skip Day for the 1972 Seniors came to an end.

GRADUATION 1972

Rev. Lloyd Gross, of the Peace Reformed Church, gave the sermon for Baccalaureate exercises held May 14th in the Klemme High School Auditorium. The Senior Sextet, Shirley Smith, Marge Nannenga, Renee Brinkman, Diane Hummel, Mary Bruhl, and Connie Schmidt, sang "We've Only Just Begun."

Ushers were Marla Katter and Lance Arnold. Dorothy Nannenga was pianist.

Commencement for the 1972 graduating class was held May 19th at 8:00 p.m. in the Klemme High School Auditorium. The class chose as its flower the yellow rose and as its colors, purple and white. The class motto was: "We are largely the architects of our future."

Sue Lemke gave the invocation and Nyla Bridges read the class history. The entire class sang "Graduation Day" and "To Sir With Love."

Diane Hummel and Mike Denny received the "I Dare You" awards. Marge Nannenga was the winner of the vocal award and Connie Schmidt received the band award. Connie Schmidt also received the Iowa Bar Award.

Nola Blank, Salutatorian, gave a speech in which she encouraged the class to look forward to the future, because it is their responsibility to build their futures.

Valedictorian, Connie Schmidt, also gave her speech in which she looked back to the past and thanked all those people, teachers, parents, and friends, who had any part in laying the foundations of the class's future.

Roger Carlsson, foreign exchange student from Sweden, also gave a short speech thanking the community and his host family for his year here in Klemme.

Marge Nannenga gave the benediction and graduation ceremonies ended for the 1972 Seniors.

Tom was chosen as athlete of the year for his contribution to the boy's athletic program. He was an all-conference lineman on Klemme's most victorious team to complete his fours years of varsity football, and was one of our co-captains in basketball this season. Tom led the Conference in rebounding and was in the top most categories involving statistics and earned him first team all-conference.

Renee was chosen as the athlete of the year for her contribution to the girls' athletic program. Renee was a starting forward on the basketball team and provided the spark needed for the team to progress throughout the year. She performed well in the high jump event in girls' track and field and contributed alot to the morale of the team. Renee played a vital role on the girls' softball team playing left field and was one of the leading hitters and contributors in the teams history.

ACTIVITIES

Homecoming

HOMECOMING ACTIVITIES

The Klemme homecoming was held Friday, October 8, 1971, when the Klemme Shamrocks met the Cal Cadets.

Thursday evening the years activities began when each high school class presented a skit. The winning skit was put on by the Junior class. Their prised composition was entitled "Showdown at Shamrock." This was followed by a bonfire and pep rally put on by the cheerleaders. The highlight of the evening was the snake dance which led down mainstreet and concluded with more cheering.

Each class again constructed floats and the winning one this year was by the Freshman, "Happiness is a Victory." These floats, and one carrying the football players, along with convertibles of candidates and the band, composed the parade which went through Klemme, Friday afternoon.

The evening ended with a triumph over Cal, 20-6. During halftime the Homecoming King and Queen candidates were presented. Nola Blank and Wayne Flaten were crowned King and Queen of Homecoming 1971. The festivities were climaxed at the dance with music by the "Huckleberry Dirt."

The Night of January 16th was presented November 12th and 13th under the Direction of William Friedow. Student Directors were Beth Roths and Nola Blank. The play concerned the murder trial of Karen Andre, a secretary to the victim Bjorn Faulkner. A unique feature of this play is that the audience played a major role. The jury, selected from the audience, decided the verdict at the end of the play. The cast was fully prepared for either verdict and presented an astonishing and surprising ending to this production.

Wake up Judge.

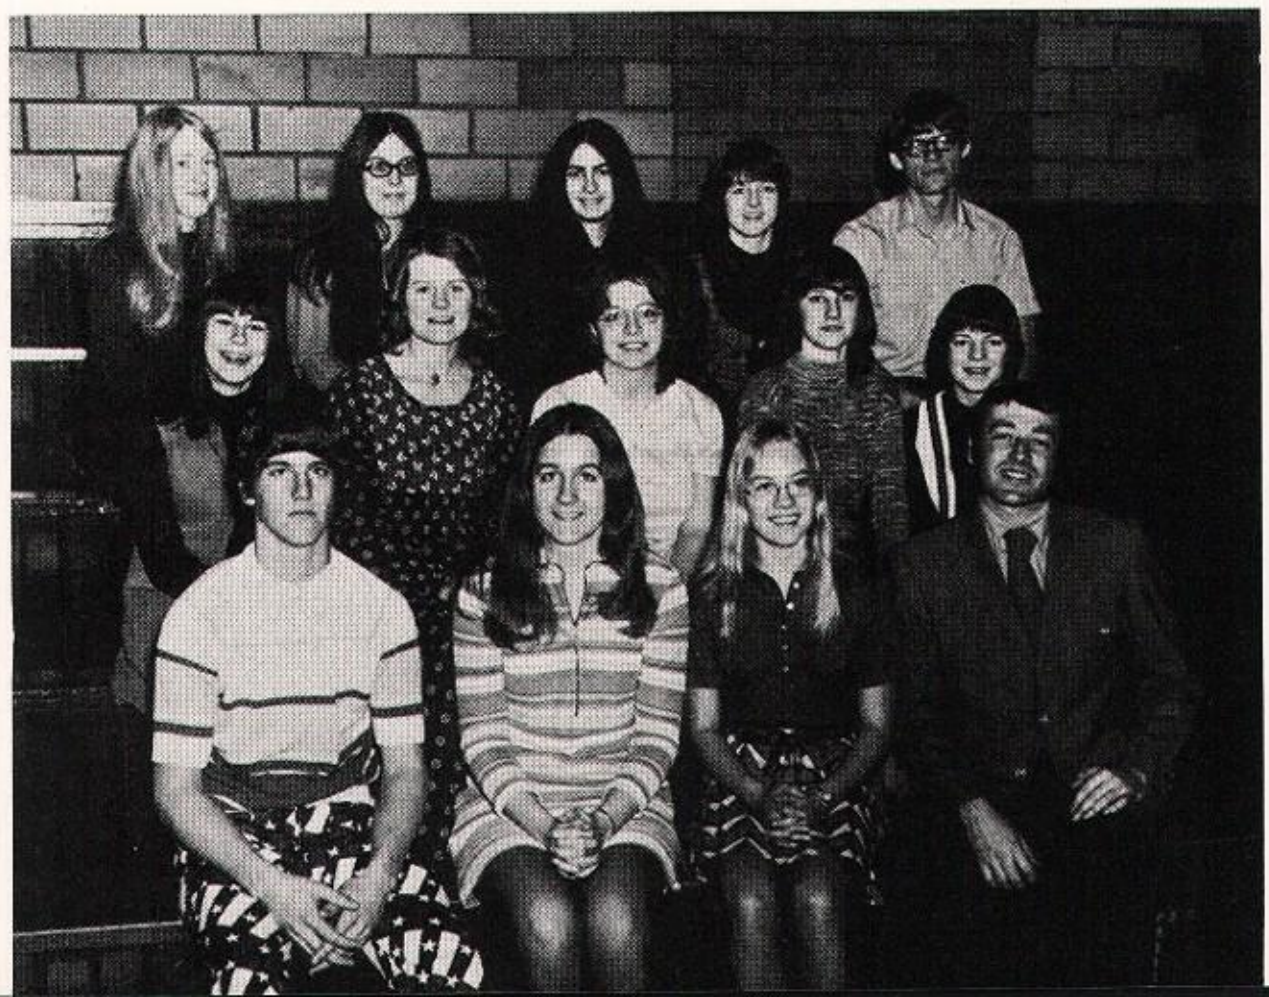
Two actors were presented with outstanding performance awards this year at State Individual Contest. A special congratulations goes to Mary Jo Murray, Humorous Acting, and Nola Blank, Oratorical Declamation.

Connie Schmidt also received an Outstanding Acting Award at the Cherokee Invitational Speech Tournament in January in the area of Dramatic acting.



"The Right Kind of House," A one-act drama, was presented by (front row, left to right) Shirley Smith, Donna Nuehring, Connie Schmidt; (back row) Doug Lau, Steve Denny, and directed by Bill Friedow.
This play involves an eccentric old lady, Mrs. Grimes, who wishes to find the man who murdered her son. She plans to sell her house at a ridiculously high price, as she knows that someday her son's murderer will return and buy the house, in order to search for the money that her son and the murderer had stolen and which her son had hidden somewhere in the house.
Finally a buyer, Mr. Waterbury, does appear and is willing to pay the price. Mrs. Grimes knows this is the man and while poisoning him with some lemonade, prys a confession out of him just before he dies.

"The End," a duet acting, was presented at District and State Contest by Mike Denny and Dean Stromer. God decides he has had it with the world and destroys the earth, but can find no satisfactory means of bringing the world to an end. Thus, after many suggestions and rejections, He and Gabriel decide to give the world a second chance.

"In Rebecca's Room," a second duet acting, was also presented at District and State Contest by Shirley Smith and Connie Schmidt. Mrs. Danvers is very angry with Mr. DeWinter's second wife, and in a tragic confrontation, tries to persuade Mrs. DeWinter to jump through a window. Mrs. DeWinter has almost decided to jump when rockets explode in the bay and bring her out of the trance.

Both duet actings were directed by Mr. Bill Friedow.

RUBBERNECK

Pubberneck, a three-act comedy, was produced by the Klemme Speech Department April 11th and 12th at 7:30 p. m.

It concerns the Wilkens family and their once-every-two-year crisis, Uncle Elwyn's running for mayor, until Father lays down the law--no more campaigning from the Wilkens' house. A new candidate is found to run against Mayor Crawford, Rubberneck, a prop from Melanie's play at school.

In the middle of the campaign, the Wilkens are visited by Aunt Roberta, Mother's sister, and her fiance, Arnold Gormeyer, a hypochondriac, who causes untold problems. Mayor Crawford then visits and insists Rubberneck be withdrawn from the election, and her final substitute is Father.

In the final act, Father wins the election, Roberta and Arnold are reunited after Arnold decides to leave, and Uncle Elwyn decides to run for Congress with Rubberneck as his running mate, as it is the age of robots and automation. Father solves the situation.

FOREIGN EXCHANGE STUDENT

Roger Carlsson, our first foreign exchange student, came to Klemme from Gothenburg, Sweden. He made his home during the year with the Alvin Denny family and participated in many high school activities. He was out for football, basketball, track, golf, baseball, and also had a role in both high school plays. He was a member of Science Club, K Club, and FBLA. The subjects he took during the year were English III, Algebra II, American History, Government-Sociology, and Physics. Roger's main hobby is photography--which was very helpful to the Annual Staff.

The sponsoring organization for his year in Klemme was Youth for Understanding. Roger feels that the most important thing he learned by coming to Iowa is his ability to understand others better, and as a result, has become a more understanding person.

VARIETY SHOW

The first annual Variety Show was held May 10th in the Klemme High School Auditorium. Directers were Mrs. Ernest Gerardi and Mr. Chris Corbett. The program consisted of an assortment of skits, dances, solos, duets, quartets, sextets, swing band numbers, and of course, several songs by the entire cast. The show was a huge success and was enjoyed by all who attended.

COLOUR MY

On April 15,1972, the Juniors presented the traditional Junior-Senior Prom; only in a slightly different version. The theme was Colour My World. The banquet was held at the Sheraton Motor Inn at Mason City. The table was set with bouquets of colored daisies. Master of Ceremonies was Lonnie Schmidt. The welcome was given by Junior Class President, Dennis Guth. In response,Senior Class President,Sue Lemke, gave a Thank You. The Senior Class Prophecy was humorously read by Lance Arnold. The guest speaker for the banquet was Mrs. Larsen who gave a very enlightening talk about how we can make our futures brighter. A Junior quartet consisting of Mark Anderson, Lance Arnold, Murray Katter, and Rob Schoenwetter sang 'Hello' and the theme song 'Colour My World'. Wayne Flaten then read the Senior Class Will composed thoughtfully by the Seniors.

The dance was held at the Surf Ballroom in Clear Lake. In addition to Klemme-Meservy-Thornton and Ventura also had their Prom dances there. The delightful entertainment was given by 'Alphonse Handley' from Wisconsin.
